

CLEAN LABEL FOOD COLORS - Consumer trends have been insisting on clean labels and natural ingredients. Futurals is a range of concentrates and extracts (coloring foodstuffs) derived from fruits, vegetables, herbs, edible flowers, and algae. The extracts are derived through completely natural processes and are GMO-free.

FUTURALS PRO - The superior and more advanced range of coloring foodstuffs is made from top quality raw materials. Futurals Pro is ultra clean with no preservatives used, while still maintaining the required shelf life and stability expected.

Futurals & Futurals Pro can be customized to and extensive degree depending on client's requirements across varied industries - food and beverage, nutrition and health personal care.
