

INNOVATING FOR YOU. WITH YOU.

Clean label with wide range of
Light to Dark Blue shades

SPIRULINA INGREDIENTS

Spirulina Extract is made from biomass of the Cyanobacteria Arthrospira Platensis. The blue green algae, Spirulina is arguably nature's most powerful green food. With over 60% protein content, Spirulina is the highest, most digestible source of "complete" protein. The green powder is used as nutrient & blue extract is used as colorant.

APPLICATIONS:

Confectioneries, Dessert Coatings and Frostings, Ice Creams, Yogurts.

SHADES:

Light to Dark Blue

FORMS AVAILABLE:

Water soluble liquid & Water soluble powder

STABILITY CONDITIONS:

| pH Range | Heat | Light |
|----------|------|-------|
| 5 - 8 | Fair | Good |

Note:- The dosage will vary depending on the end applications.
