NATRACOL

A RANGE OF NATURAL COLORS

Keeping up with the global trends in the food industry towards natural, healthier ingredients, ROHA's Natracol range focuses on manufacturing natural colors from a variety of natural sources like fruits, vegetables, plants, flowers and algae. Being at the forefront of this transformation, we efficiently address the growing market demand to present a portfolio of natural colors that covers clients' requirements. The Natracol range comes with the promise of ROHA's decades of expertise in customer service and quality, which are aligned with international standards.
