

INNOVATING FOR YOU. WITH YOU.

Heat stable elderberry Reds & Pinks

ELDERBERRY INGREDIENTS

Elderberry, also known as Sambucus has been sought after for centuries for use in medicine and as a food colorant. Grown in temperate to sub-tropical regions globally, Elderberry juice is a dark red liquid with a characteristic odor. Due to the variety of anthocyanins present, shades ranging from pink to red to purple can be achieved depending on the application.

APPLICATIONS:

Beverages, Fruit Confectioneries, Sorbets and Fruit Sauces.
