

INNOVATING FOR YOU. WITH YOU.

Wide range of Light to Dark Blue shades  
with clean label options

## SPIRULINA INGREDIENTS

Spirulina Extract is made from biomass of the Cyanobacteria *Arthrospira Platensis*. The blue green algae, Spirulina is arguably nature's most powerful green food. With over 60% protein content, Spirulina is the highest, most digestible source of "complete" protein. Spirulina which is qualified as a clean label blue natural color is usually grown in open ponds across China, India and the US and requires a sunshine year round.
